

<b>VOLUNTEER MATCH</b>		<b>PROJECT TITLE:</b>		
		<b>APPLICANT AGENCY:</b>		
<b>INSTRUCTIONS</b>				
1. Indicate all volunteer hours to be included in the Total Project Cost for <b>Local Match purposes</b> . Volunteer hours may be calculated at the rate of \$9.50.  2. Under <b>Description (type) of Service to be Provided</b> , break volunteer hours down by types of services to be provided by the volunteers. <i>Keep in mind that volunteer hours utilized for match are under the same requirements as paid staff utilized by the grant.</i>  3. Under <b>Number of Volunteers</b> , indicate the number of volunteers who will be providing each type of service indicated.		4. Under the column, <b>Total Number of Hours</b> , indicate the total number of hours to be contributed by volunteers on an annual basis for each type of service that will be used for Local Match purposes.  5. Under the <b>Total Local Match</b> column, enter the result of the following calculation: (Total Number of Hours) x (\$9.50 per hour).  6. Volunteer time may only be utilized toward the Local Match Share total.
